

NEW CBD / THC TEST

YOU DEMANDED. WE DELIVERED.

The new CBD/THC Test Pouch is **AVAILABLE NOW** at our Online Store at www.detectachem.com.

- Accurately differentiates between THC and CBD.
- Indicates if THC content is above legal 0.3% limit.
- Trace and bulk sampling of Hemp and CBD products: Marijuana, Edibles, Vape, Hash oils, and more.
- Automate results using the FREE MobileDetect App.

AUTOMATED DETECTION

With automated detection through the MobileDetect App, the user does not have to reference color charts and detection is not reliant on individual perception or at risk of human error.

TRACE & BULK SAMPLING

Our technology allows for residue or bulk sampling, requiring significantly less sample than older test kits.

LOGGING & REPORTING

The MobileDetect App allows for instant PDF reporting with pictures, GPS mapping, time/date stamp and more. Reports can be sent directly from your smart device.

USERS

Law Enforcement, Correctional Facilities, Military, Hazmat, School Resource Officers, Private Security, Personal Testing, and More
