Keynote Speaker Randy Keys

Randy's *Surviving the Job* presentation includes the devastating current situation Law Enforcement is faced with regarding the Politics of Policing, including the defund the police movement, officer involved shootings, and the negative public perception from a small minority of the population. This course is not designed as a political party discussion, but rather focused on the current politics regarding Law Enforcement.

Here are a few of the classes that will be offered:

- De-Escalation
- Financial Wellness
- Legal Updates
- Internet Human Trafficking
- US DEA Update
